Dear Prof. Donovan,

I just returned from vacation to learn the wonderful news of your generous gift to the Harvard Art Museums annual appeal. I know you have heard from Jim Cuno but as the one who works with Tori coordinating your events in the Fogg, I wanted to personally thank you for helping the Museums in such a wonderful way.

It has, for the last four years that I have worked at the Museums, always been a pleasure to deal Cambridge Technology Group and we appreciated your continued support above and beyond what you already do.

Yours sincerely,

Isabelle Loring
