Adjustments are being made to your departmental UROP account as summarized on the attached sheet. Summer adjustments are based on carryover from the Spring 1974 term -- the May 31, 1974 account summary sheets were used to determine the carryover. If for some reason (hopefully a good one) processing of accounts was not completed in time to show up on the May sheets, adjustments will be made at a later date.

UROP will not cover any overruns and the termination date for the summer UROP account will be August 31, 1974. (By the way, in case I haven't had a chance to tell you personally, I'll be

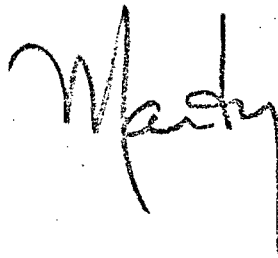

terminating UROP myself as of June 30, 1974 -- no overruns please!). If you have any questions or anticipate any problems with the account (or overhead waivers) please call Diane Michalik, x3-5049.

I want to take this opportunity to say that I have enjoyed working with you and your department.

Have a good summer.
